

1003F Oras Safira - Washbasin faucet for summer house

EAN: 6414150078538

www.oras.com/en/products/oras/product/1003F

Washbasin faucet for summer house and water heater. Fixed spout and aerator. Maximum flow-rate 5 l/min. Due to the heating of water, water dripping from the aerator is a feature of this product and should not be prevented. The aerator may not be changed or supplemented with additional components. Plug in, unpressurized water heater, 5 l. Easy to install. Range of use +35° - 85°C (recommendation + 65°C). In order to prevent frost damage, the faucet and the water heater must be emptied. This water heater is only allowed to operate with the original Oras summer house faucet. Warning! Water heater can heat the water up to +85°C. Beware of the instant scalding hot water from the faucet. The faucet and the water heater should not be installed separately.

- Bathroom
- Single lever, Low pressure
- Deck mounted
- Chrome
- Fixed spout
